CATS ARE BETTER THAN MEN BECAUSE...

Cats don't hog the bed, the sheets or steal your favorite pillow.

CATS ARe Better Than MEN BECAUSE...

You can "fix" your cat.

CATS ARE BETTER THAN MEN BECAUSE...

Cats are clean. They cover up their own mess.

CATS ARE BETTER THAN MEN BECAUSE...

A cat won't criticize your taste in movies. A cat won't wise off if you cry during "An Affair to Remember," "Love Story" or "The Way We Were."

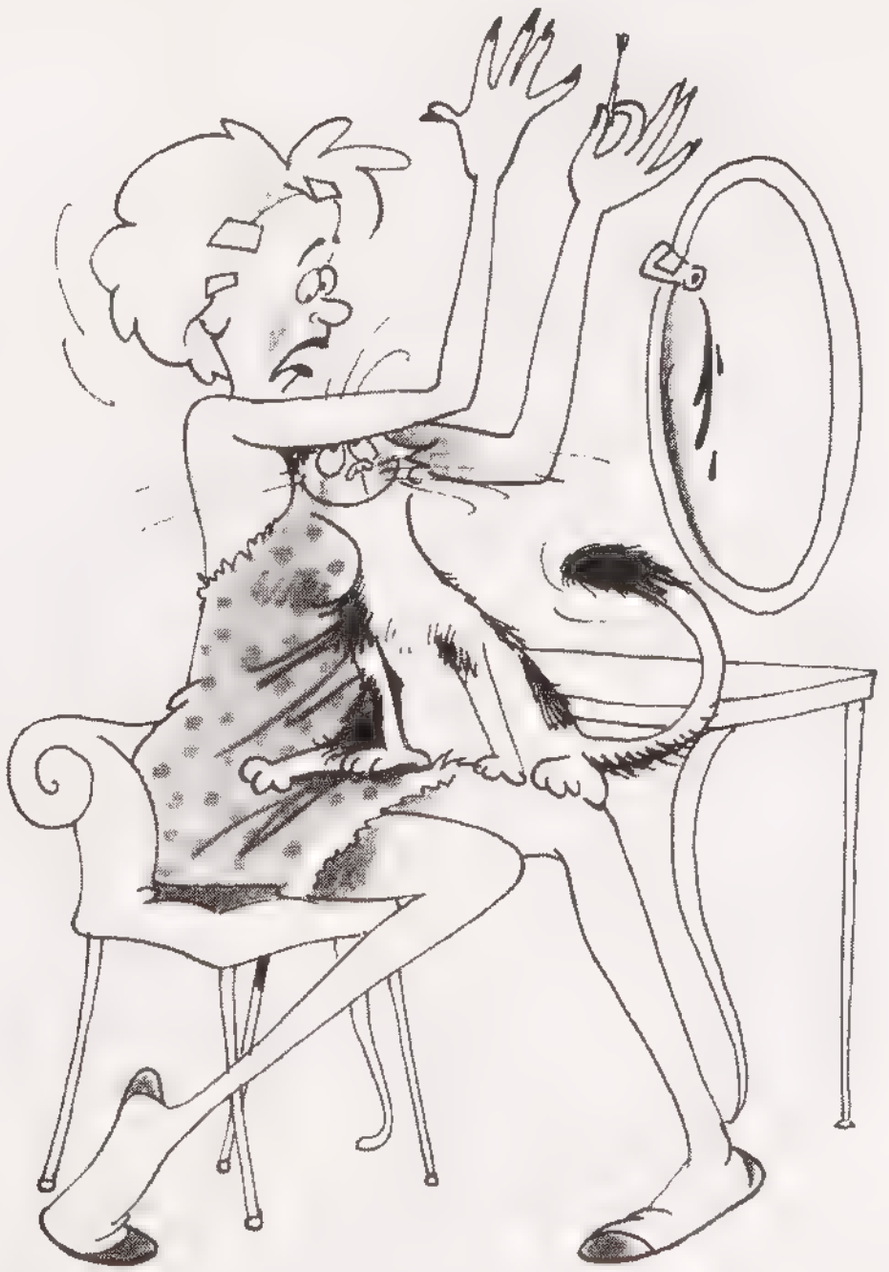
CATS Are Better Than MEN BECAUSE...

With a cat, you control the remote. A cat will never expect you to watch "All Star Wrestling" or the "Game of the Week" every day of the week.

CATS ARE Better Than MEN BECAUSE...

A cat will never notice if you have a bad hair day. Your cat doesn't need a custom cut, mousse or gel to look well-groomed.

CATS Are Better Than MEN BECAUSE...



Cats love to cuddle.

CATS ARE BETTER THAN MEN BECAUSE...

Cats are purr-fect companions. A cat is willing to keep you company while you're sewing, cooking, cleaning or reading.

CATS ARE BETTER THAN MEN BECAUSE...

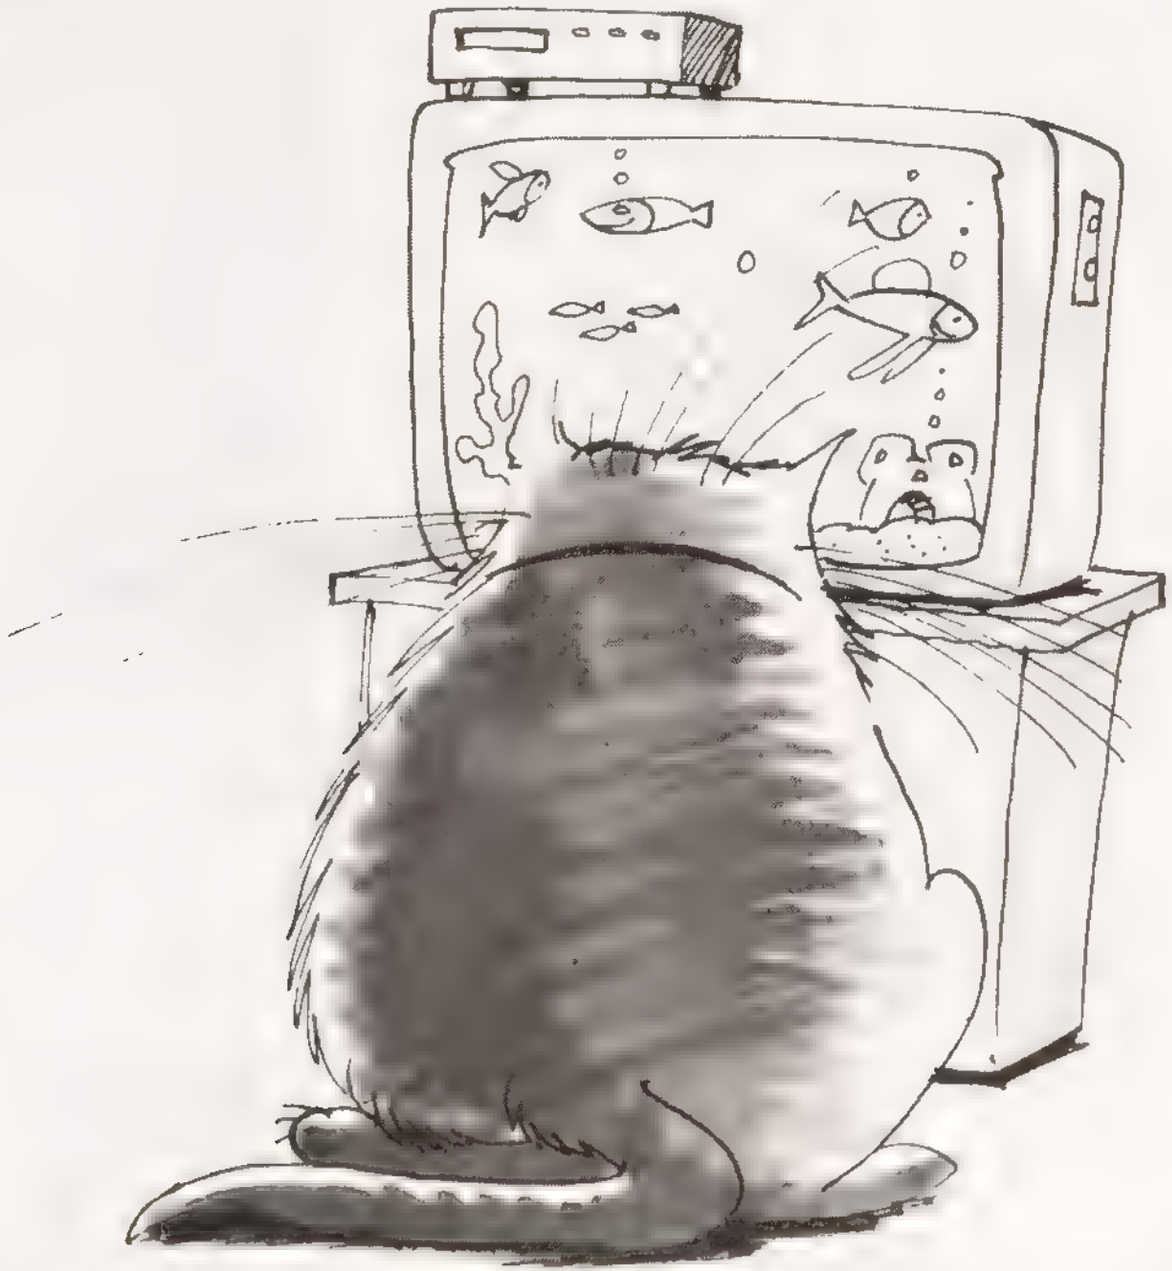
Cats are trustworthy. A cat will never do sneaky things behind your back.

CATS Are Better Than MEN BECAUSE...

It doesn't hurt when a cat walks all over you.

CATS ARE BETTER THAN MEN BECAUSE...

A cat is always willing to eat the anchovies.



CATS Are Better Than MEN BECAUSE...

A cat will never tell you to "be quiet" until halftime.

CATS Are Better Than MEN BECAUSE...

You can live with more than one cat at a time.

CATS ARE BETTER THAN MEN BECAUSE...

Cats aren't embarrassed to show affection in public.

CATS Are Better Than MEN BECAUSE...

A cat will never call you from jail, a bar at closing time or another woman's house.

CATS ARE BETTER THAN MEN BECAUSE...

Cats love to bring you presents.

CATS Are Better Than MEN BECAUSE...

With a cat, the toilet seat is always the way you left it.

CATS ARE BETTER THAN MEN BECAUSE...

Cats think food out of cans is great!

CATS Are Better Than MEN BECAUSE...

Cats are always home for the holidays.
Cats are always eager to help trim the tree.

CAT FOOD
CAT FOOD
CAT FOOD

CATS ARE BETTER THAN MEN BECAUSE...

Cats still look good when they're old and gray.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never complain if you hog the bathroom.

CATS Are Better Than MEN BECAUSE...

Cats are compact. You don't have to be a contortionist to share a twin bed, couch or chair with a cat.

CATS Are Better Than MEN BECAUSE...

A cat won't ask you to get up at night to turn off the light, put out the dog or get it a beer.

CATS Are Better Than MEN BECAUSE...

Cats are not afraid to make a commitment
that involves a few risks.

CATS ARE BETTER THAN MEN BECAUSE...

Cats won't snicker when they watch you try on clothes.

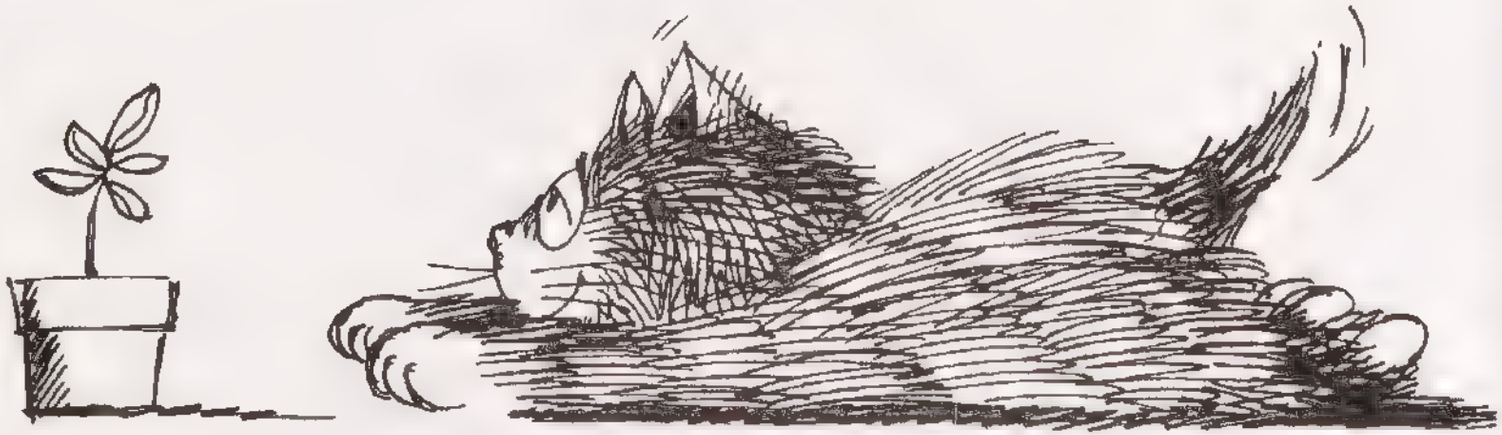
CATS Are Better Than MEN BECAUSE...

Cats are entertaining. Cats can be amusing without using four letter words, sexual innuendoes or putting women down.

CATS Are Better Than MEN BECAUSE...

Cats are easily excited. The mere sight of a bird can send a cat into ecstasy.

CATS ARE BETTER THAN MEN BECAUSE...



Cats love your house plants. A cat will never criticize you for bringing ALL that dirt in the house.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never expect you to get rid of your boyfriend because "it's allergic."

CATS ARE BETTER THAN MEN BECAUSE...

Cats are silent sleepers.
They don't snore, wheeze or talk in their sleep.

CATS ARE BETTER THAN MEN BECAUSE...

You'll never feel guilty because you slept with a cat.

CATS ARE BETTER THAN MEN BECAUSE...

Cats think you are fascinating.
Cats are curious about everything you do.

CATS ARE BETTER THAN MEN BECAUSE...

Good grooming is important to cats.
Cats never go a day without cleaning,
and they even wash all those hard to reach places.

CATS Are Better Than MEN BECAUSE...

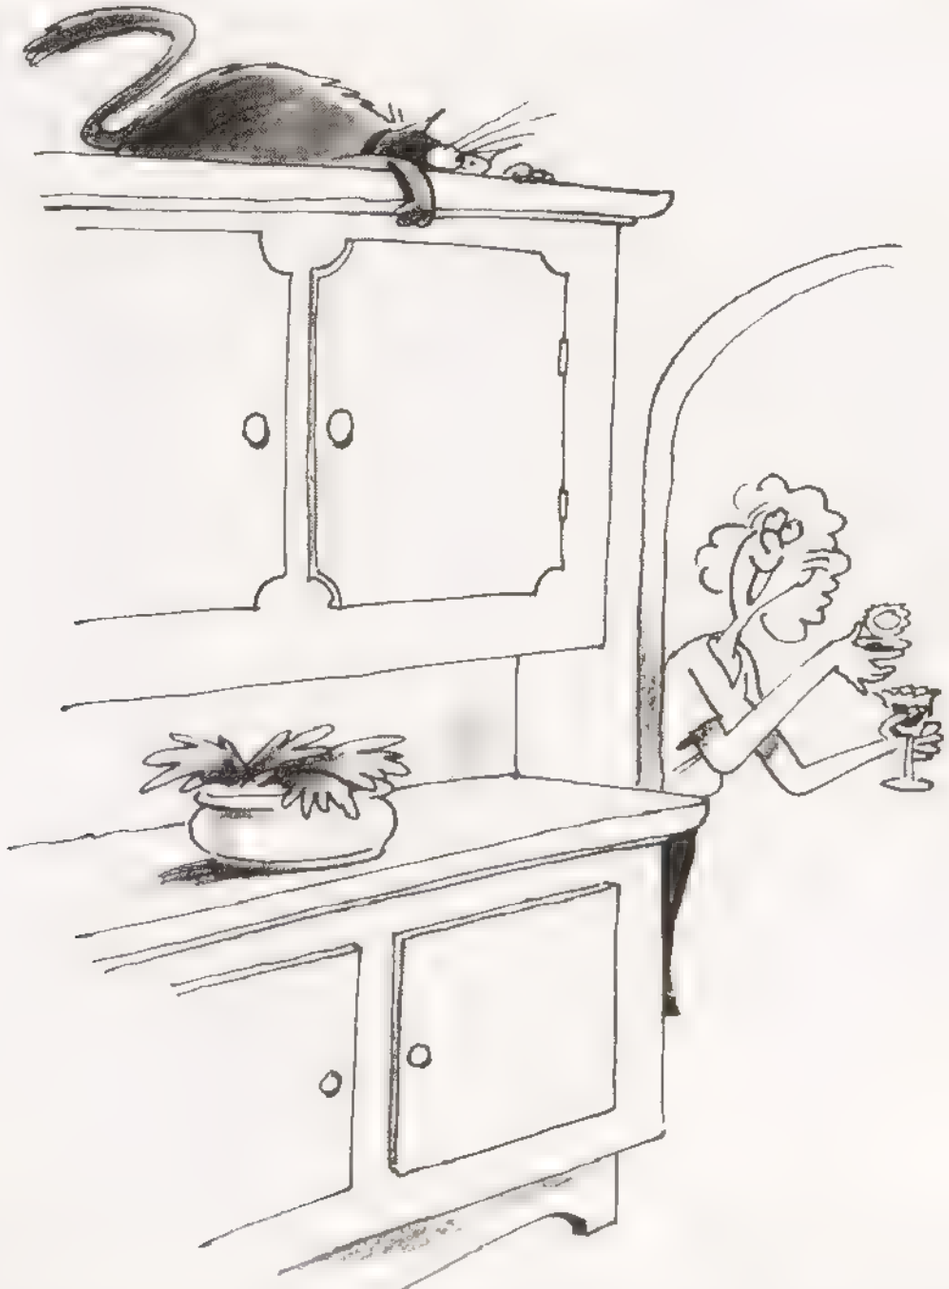
It doesn't hurt your feelings if your cat sleeps around.

CATS ARE BETTER THAN MEN BECAUSE...

Cats don't expect you to be Florence Nightingale when they're sick. A cat would never ask you to stay home from work or cook it special meals because it has a temperature of 99°. A cat will never tell you what "mother used to do" when it was sick.

CATS Are Better Than MEN BECAUSE...

Cats enjoy the little things in life. Squirrels, birds, butterflies and bugs can make your cat's day.



CATS ARE Better Than MEN BECAUSE...

Cats may play "hard to get" but they don't really mean it.

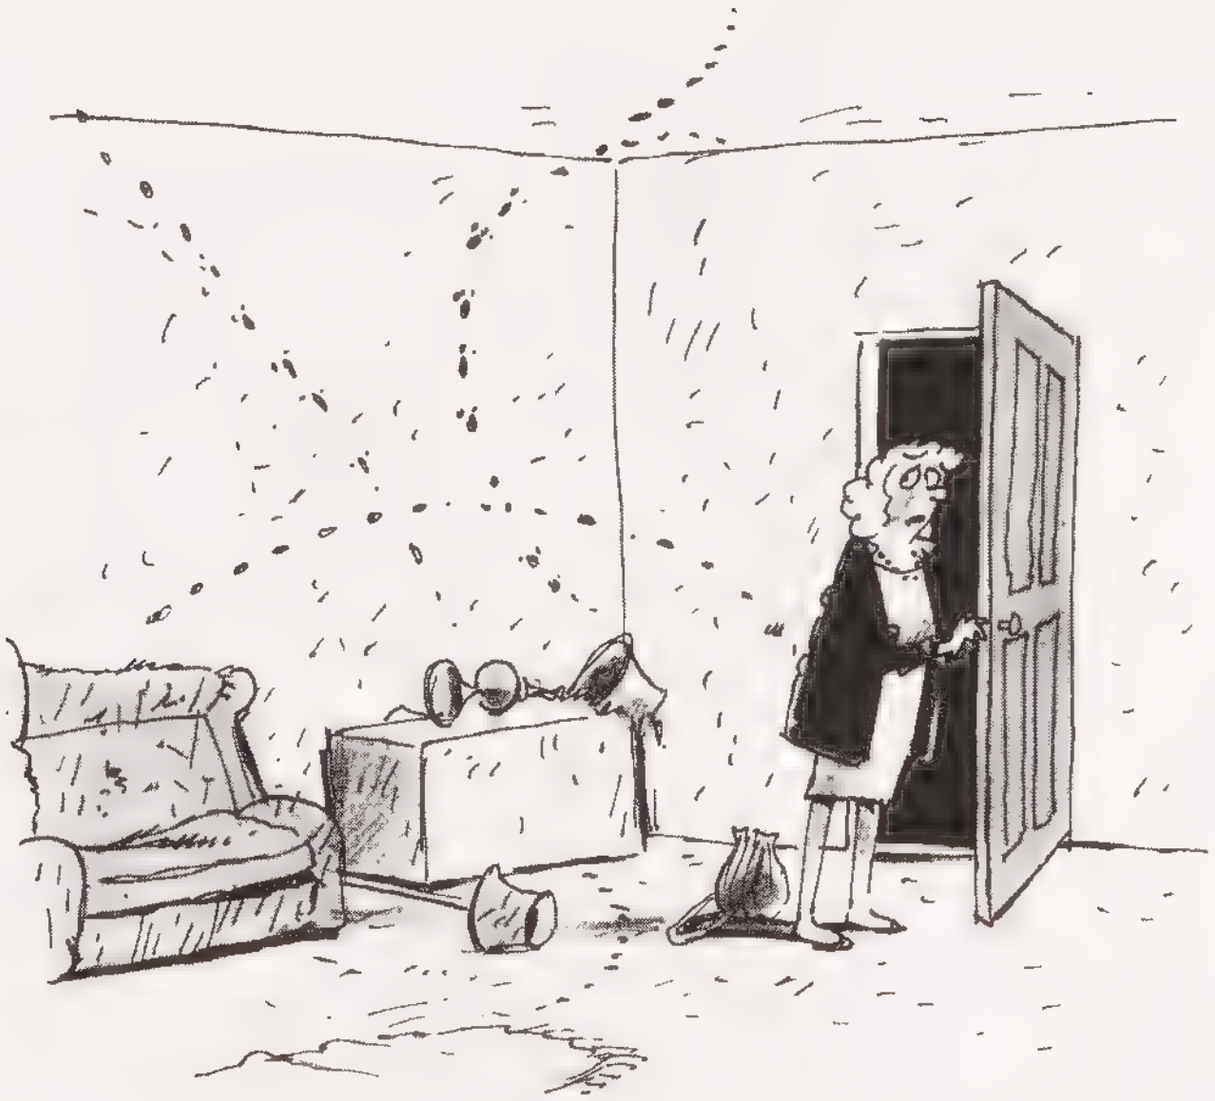
CATS ARE BETTER THAN MEN BECAUSE...

Cats like to get their own dinner—usually off the counter, table or shelves that you were sure they couldn't reach.

CATS Are Better Than MEN BECAUSE...

You can drop a cat and it will still land on its feet. A cat will never sue you for alimony, palimony or joint custody of the kittens.

CATS Are Better Than MEN BECAUSE...



Cats don't pout if you have to stay late at work.
They're always glad to see you when you come home.
Cats are never threatened by your job.

CATS ARE Better Than MEN BECAUSE...

Cats have refined dining habits. It's more appetizing to watch a cat eat a mouse than to watch any man drink at a bar.

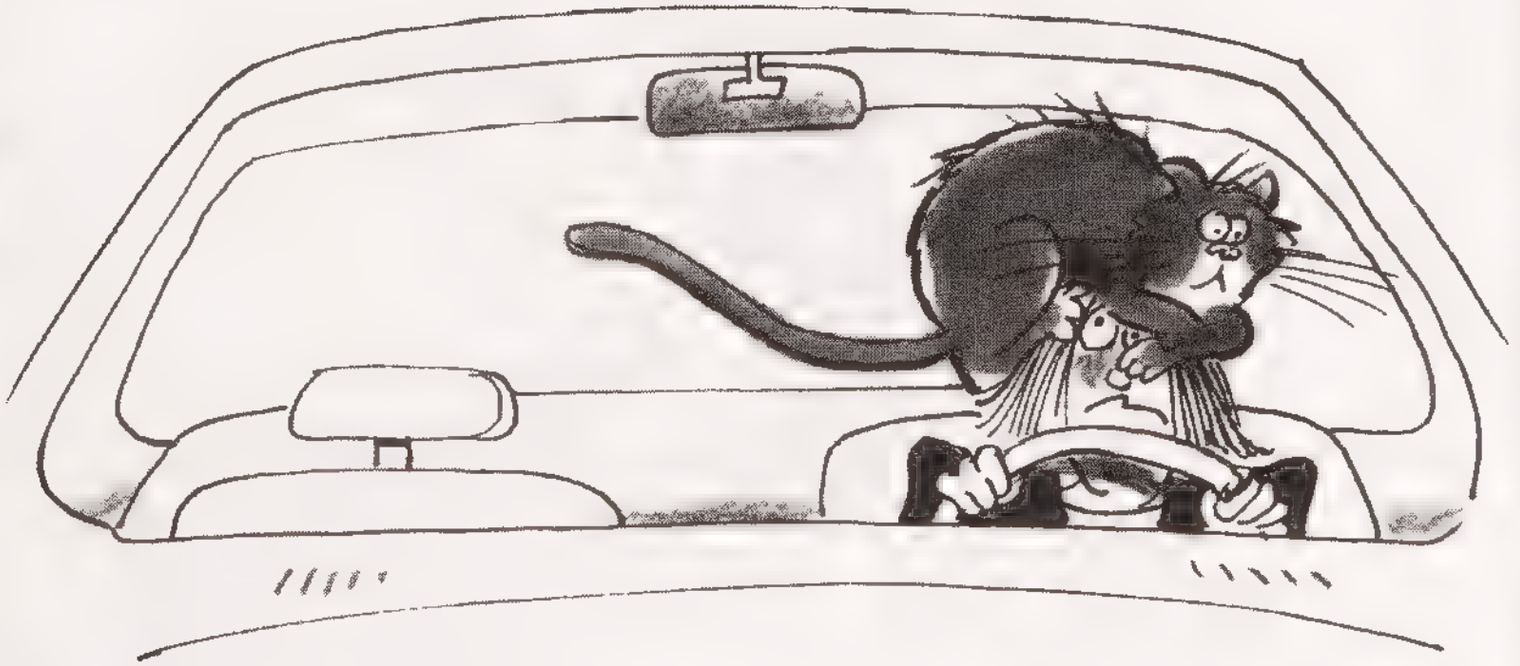
CATS ARE BETTER THAN MEN BECAUSE...

It's easy to share a bathroom with a cat. A cat will never complain about your bathroom habits. Cats are good company during bubble baths.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never use up all the hot water, take the last of the shampoo or borrow your toothbrush. You'll never have to fight your cat for the bathroom.

CATS ARE BETTER THAN MEN BECAUSE...



A cat will never insist on driving your car. A cat will never borrow your car on full, return it on empty, with the seat pushed back and your radio buttons all reprogrammed.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never fill up your living room with its sports equipment.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never expect you to wear kinky lingerie around the house. To a feline, that old bathrobe and flannel is the cat's pajamas.

CATS ARE Better Than MEN BECAUSE...

You'll never have to choose between your cat and your career. A cat won't refuse to move when a promotion requires a transfer.

CATS Are Better Than MEN BECAUSE...

When your cat gets the hots, you can throw it outside. You'll never have to tell your cat "not tonight" or "I have a headache."

CATS ARE Better Than MEN BECAUSE...

It's inexpensive to travel with a cat. Cats fly free.

CATS ARE BETTER THAN MEN BECAUSE...

Cats like you just the way you are. A cat doesn't expect you to improve yourself. A cat would never sign you up for aerobic classes.

CATS ARE BETTER THAN MEN BECAUSE...

Cats understand when you get PMS.

CATS Are Better Than MEN BECAUSE...

Cats aren't into sports. A cat will never expect you to come to its games or go into mourning when its team loses.

CATS ARE Better Than MEN BECAUSE...

A cat won't eat you out of house and home and send you out for more groceries.

CATS ARE Better Than MEN BECAUSE...

It isn't hard to find a cat. A good (even marginally acceptable) man is hard to find. Great cats come around every day.

CATS ARE BETTER THAN MEN BECAUSE...

Cats aren't afraid to show their emotions.

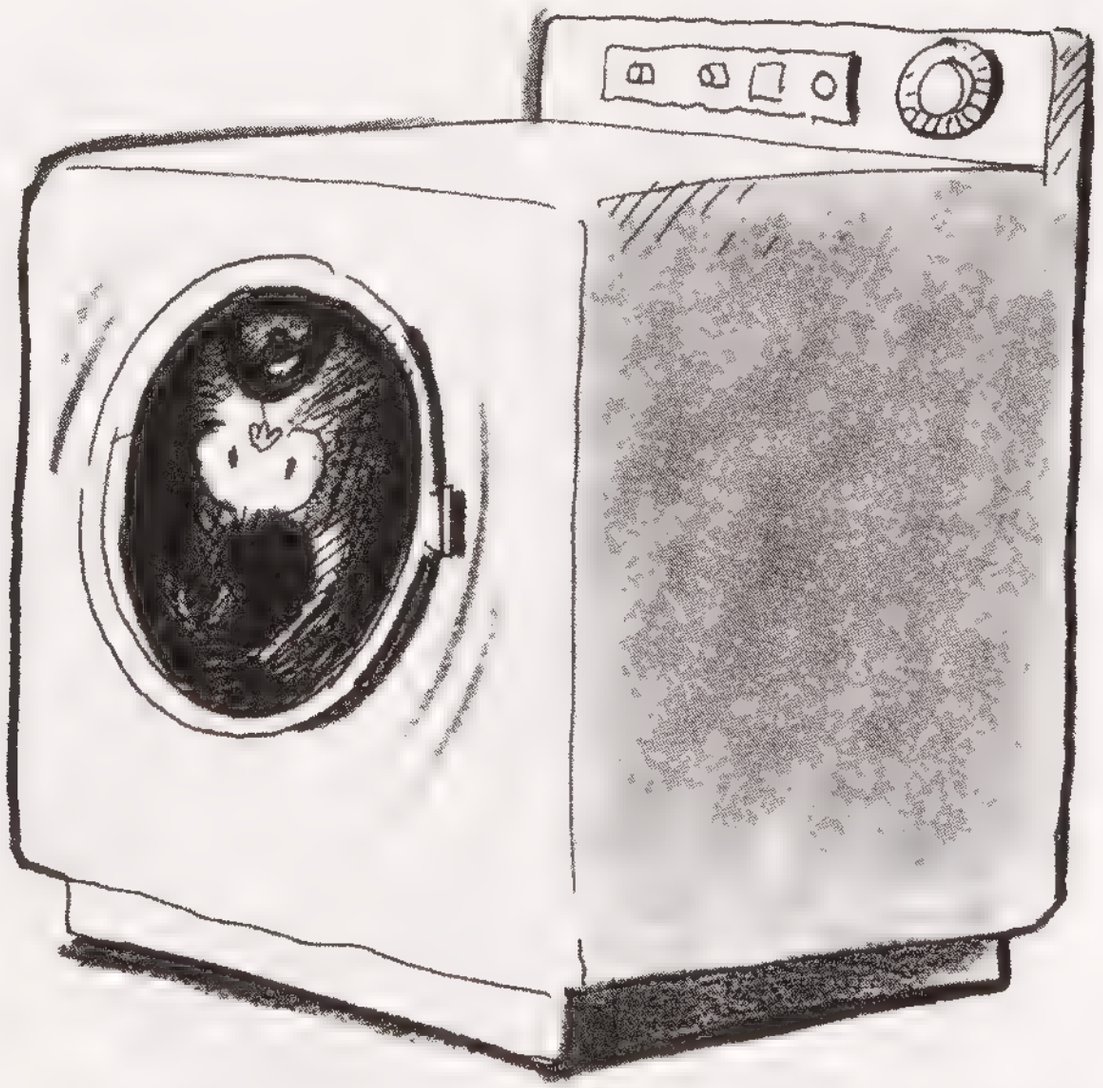
CATS ARE BETTER THAN MEN BECAUSE...

A cat will never redecorate your home or turn your den into the "trophy room."

CATS Are Better Than MEN BECAUSE...

Cats are willing to try new foods.

CATS ARE BETTER THAN MEN BECAUSE...

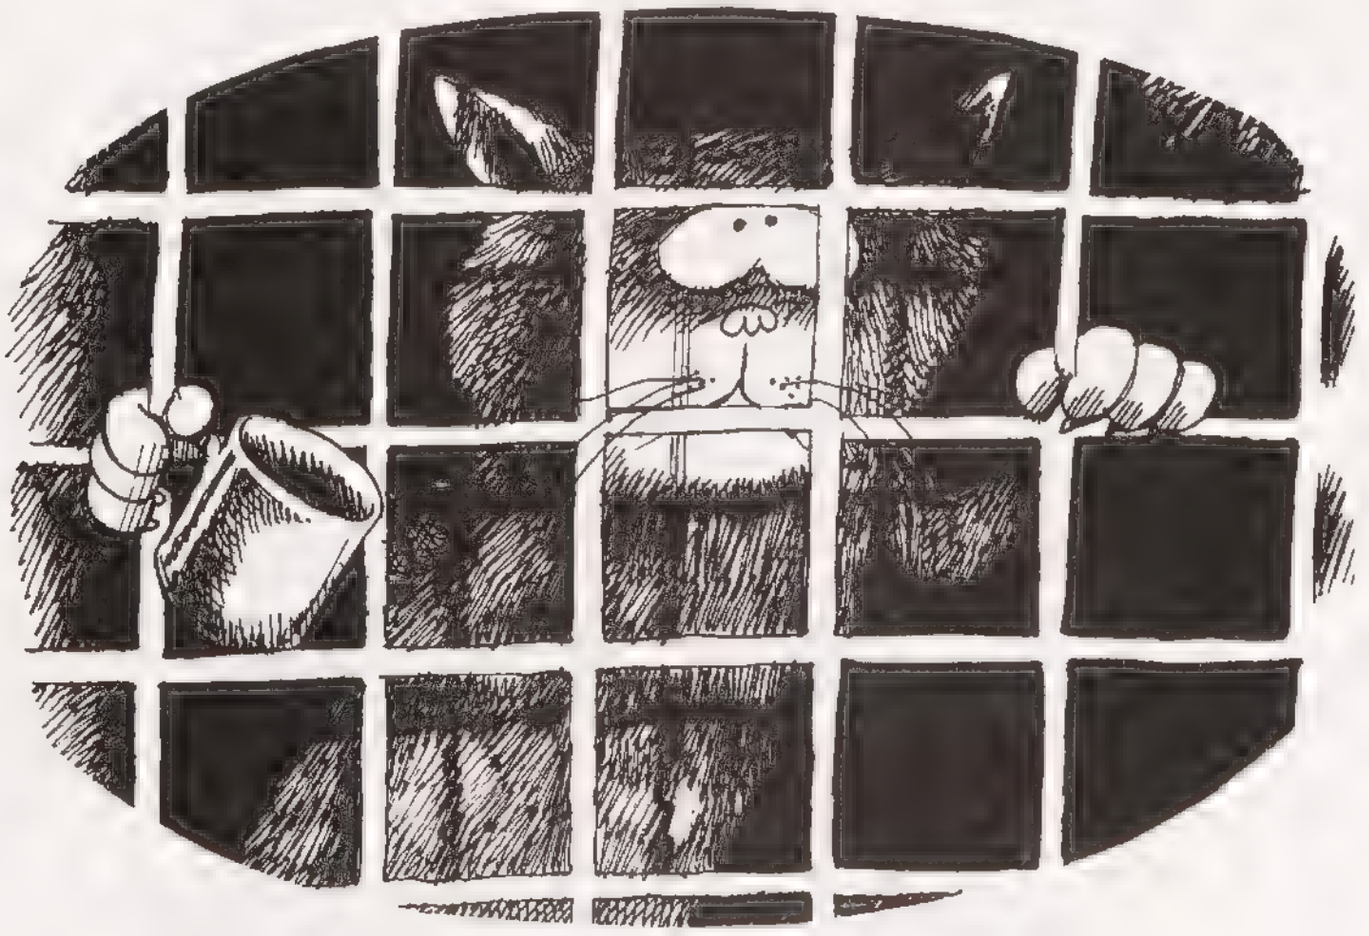


Cats love to help with the laundry. From the clothes hamper to the dryer, they're with you all the way. A cat will never steal your laundry quarters to play video games.

CATS ARE BETTER THAN MEN BECAUSE...

A cat will never eat 3/4 of the pizza, steal your bag of chips or eat the last of the M&M's. Even a fat cat is not a food thief.

CATS Are Better Than MEN BECAUSE...



A cat will never call to tell you it wrecked the car,
its been picked up on a DWI or ask you to post bail.

CATS ARE BETTER THAN MEN BECAUSE...

Cats won't sulk if they have to share you.

CATS Are Better Than MEN BECAUSE...

No matter how great the temptation to hunt, chase or prowl,
you can keep your cat off the streets.

CATS Are Better Than MEN BECAUSE...

Even a frisky cat that thinks he's a "real stud" can be fixed.

CATS Are Better Than MEN BECAUSE...

Cats don't debate, dispute or disagree with everything you say.
In an argument, a cat would be on your side.

CATS ARE BETTER THAN MEN BECAUSE...

You don't have to join a singles club, hang out in bars or take a course in diesel mechanics to pick up a cat.

CATS Are Better Than MEN BECAUSE...

Cats don't sulk when you return from vacation.
Cats aren't afraid to show they're happy to see you.

CATS ARE BETTER THAN MEN BECAUSE...

Cats aren't into dangerous sports. They won't take up mountain climbing, bungie jumping or parachuting.

CATS ARE Better Than MEN BECAUSE...

Cats are self-reliant. Cats don't expect you to take care of their every need. They like to do things themselves.

CATS Are Better Than MEN BECAUSE...

A cat will never send you to the store with a shopping list or insist you buy all its food at the meat counter. A cat won't pout if its dinner comes in a box.

CATS Are Better Than MEN BECAUSE...

A cat will never lose all its money (and yours) playing poker, buying lottery tickets or backing its favorite team.

CATS ARE BETTER THAN MEN BECAUSE...

Cats understand that sometimes you just have to "go for it." Your cat can party all night long without anyone calling the police or banging on the walls. A cat will never expect you to nurse it through a hangover.

CATS ARE Better Than MEN BECAUSE...

A cat will never ask your weight, your measurements or your body fat percentage. Cats know scales can't be trusted.

CATS Are Better Than MEN BECAUSE...

Cats hardly ever expect you to adopt, support or babysit for their offspring.

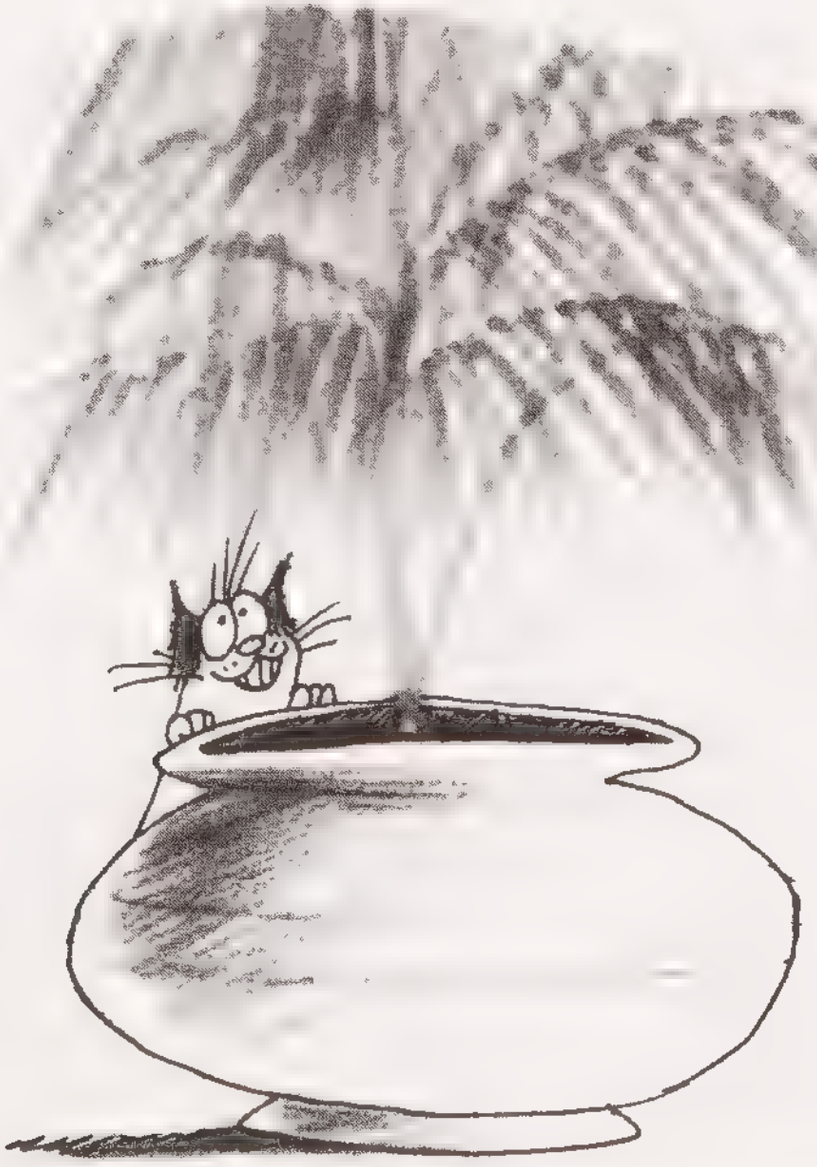
CATS Are Better Than MEN BECAUSE...

Cats like to hear the sound of your voice. Whether it's bedtime stories or baby talk, they like to listen to you. Cats may not understand much more than men, but they are better listeners.

CATS ARE BETTER THAN MEN BECAUSE...

Cats don't go into jealous rages if you spend time with other cats.

CATS ARE BETTER THAN MEN BECAUSE...



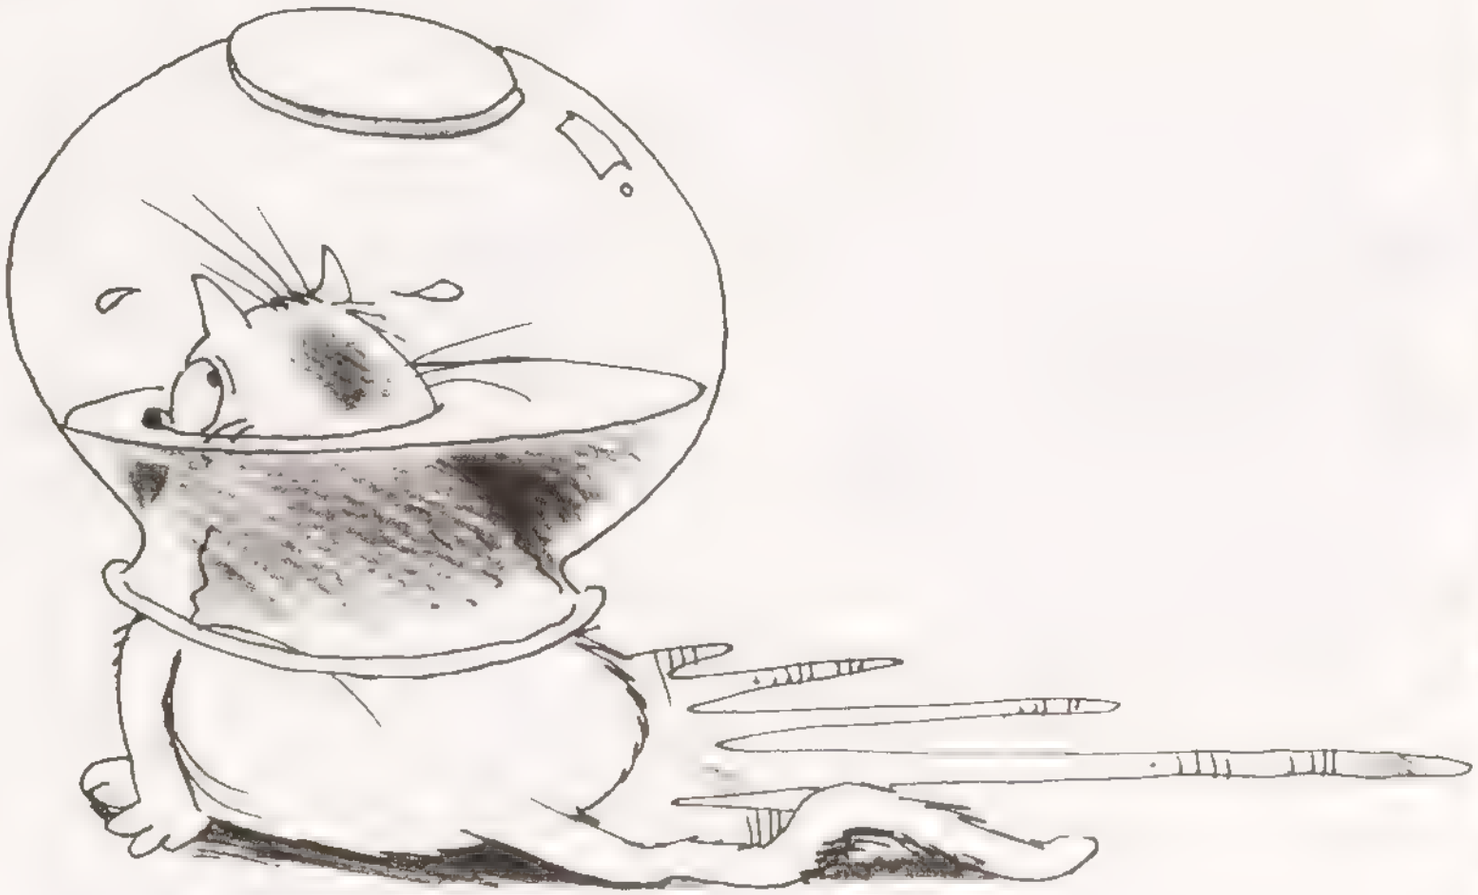
Cats are optimists. They'll try to squeeze into the smallest boxes and will leap the highest house plants.

CATS Are Better Than MEN BECAUSE...

Cats have inquiring minds. They like to know what you, and everyone else, are up to.

CATS Are Better Than MEN BECAUSE...

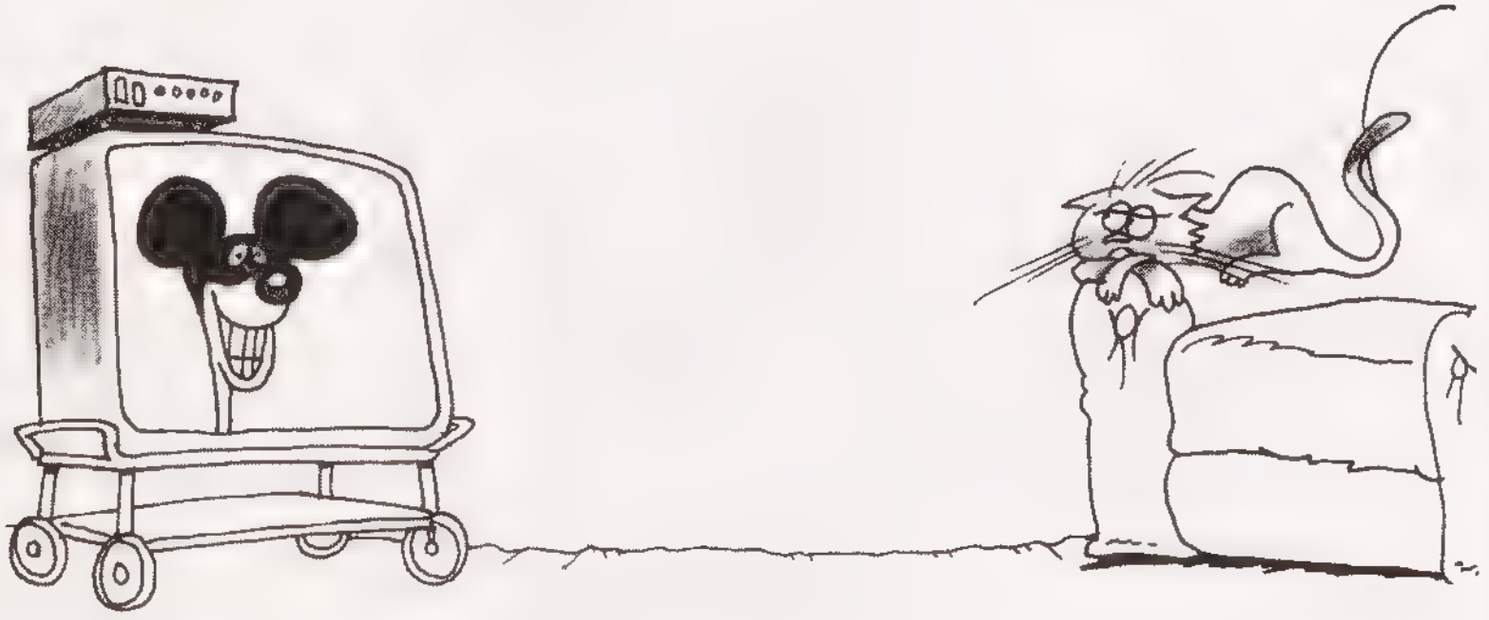
Cats aren't duffers. They won't leave you alone every weekend morning to play a round. You'll never catch them in plaid pants with a goofy, floppy hat.



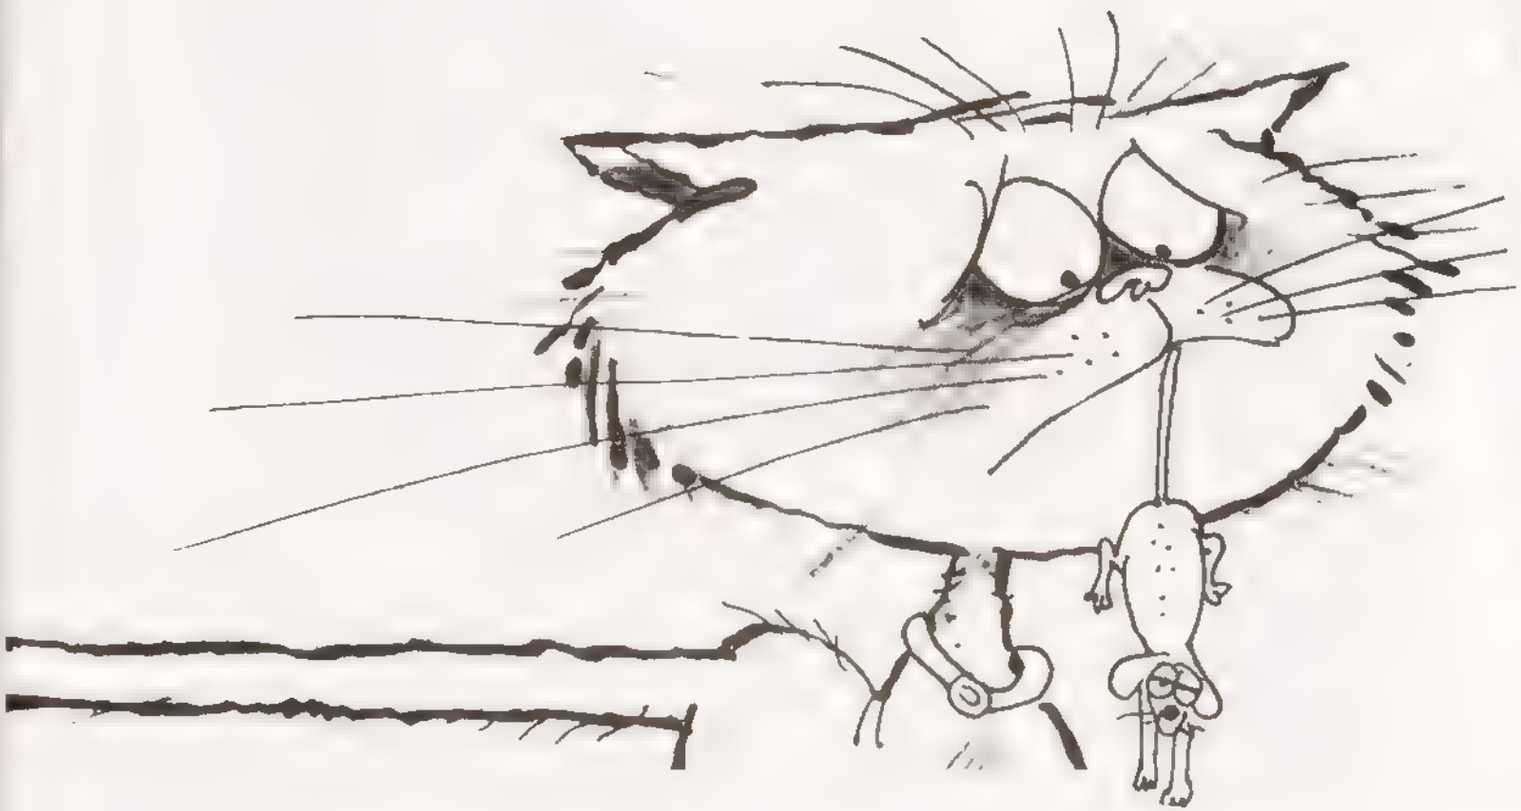
CATS ARE BETTER THAN MEN BECAUSE...

Cats' culinary interests aren't limited to meat and potatoes. Cats LOVE seafood. A cat will never complain that fish tastes fishy.

CATS ARE BETTER THAN MEN BECAUSE...



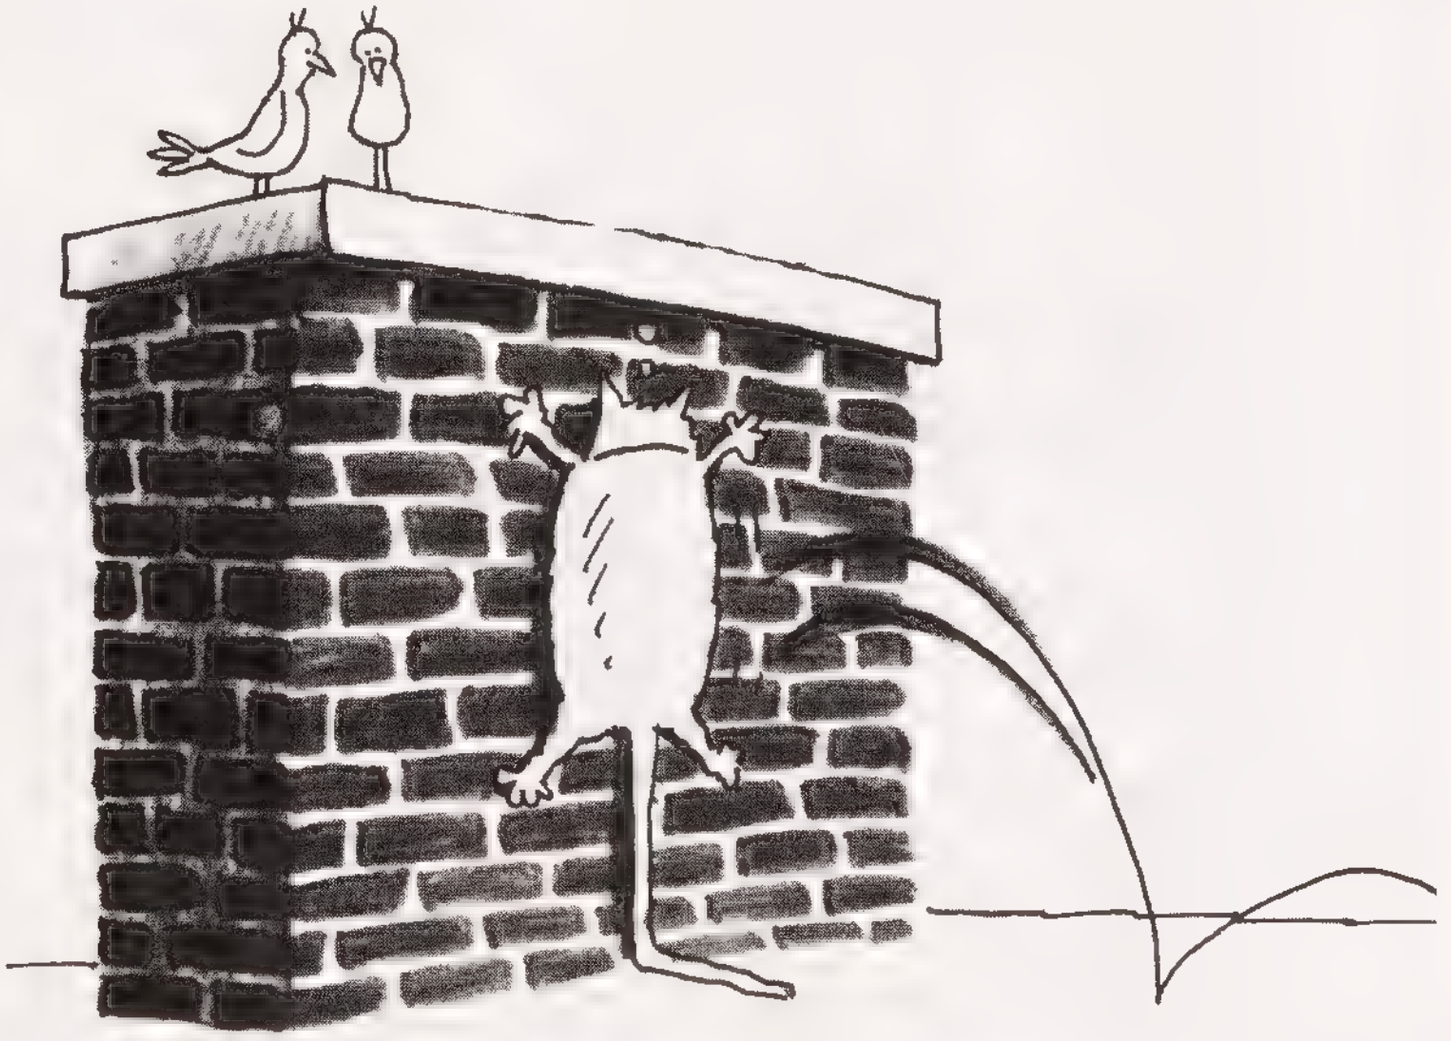
Cats can take TV or leave it. They won't stay glued to ESPN, "Wide World of Sports" and "Monday Night Football." A cat will never complain when you watch soaps, old movies or figure skating.



CATS ARE BETTER THAN MEN BECAUSE...

Cats can get their own dinner.

CATS ARE BETTER THAN MEN BECAUSE...



Cats have lofty ambitions. Cats aren't afraid to aim high.

CATS Are Better Than MEN BECAUSE...

Cats can give any room that homey, lived in look.
A cat will leave room for you in its favorite chair.

CATS Are Better Than MEN BECAUSE...

If your cat sticks its foot in its mouth, it's no big deal. A cat may wash in front of company, but it will never show off its tattoos, its surgical scars or old sports injuries.

CATS ARE Better Than MEN BECAUSE...

Cats are good at keeping secrets. They'll never betray your bad habits. Cats are good at looking innocent even when they're caught with the canary.

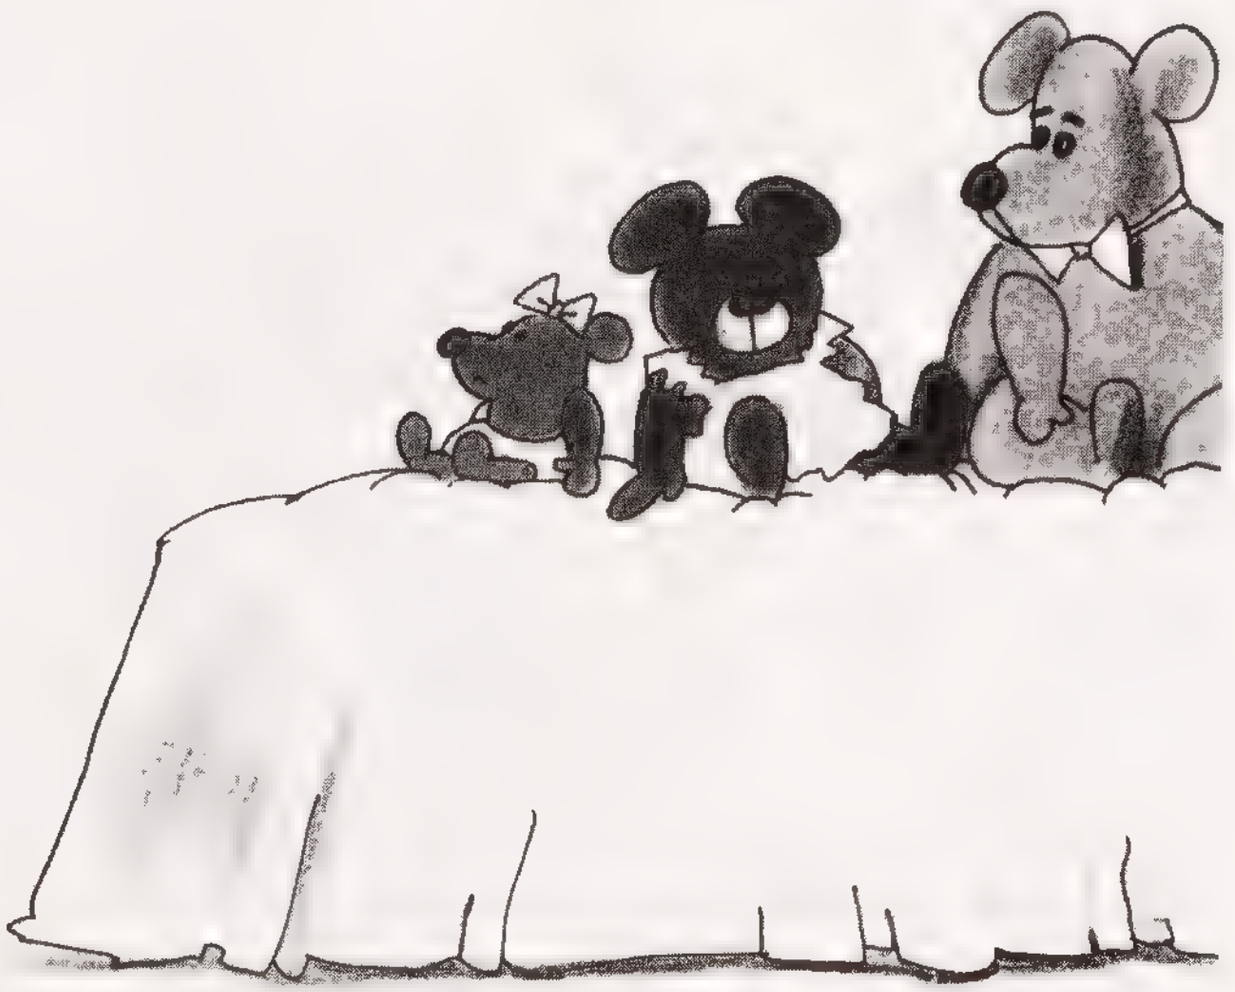
CATS ARE Better Than MEN BECAUSE...

A cat would understand it if you ate a whole bag of Oreos and a quart of Häagen Dazs ice cream.

CATS ARE BETTER THAN MEN BECAUSE...

Cats fit in anywhere. You don't need a bigger apartment or a two car garage when a cat moves in. Cat toys don't take up a lot of room.

CATS ARE BETTER THAN MEN BECAUSE...



A cat would never criticize your decorating or tell you your bedroom looks like a kid's room. A cat won't razz you for saving your stuffed animals.

CATS ARE BETTER THAN MEN BECAUSE...

Cats love teddy bears, too.
